

# We're recruiting

NEW ROLE

## Anaerobic Digestion and Farming Support

Based in the office at Newark the successful applicant will be required to collect and analyse data, support and liaise with site managers and follow up minor plant tasks, such as research and assisting on site. An interest in agriculture and Anaerobic Digestion with enthusiasm and willingness to learn is vital.

A background in agriculture would be beneficial, however not essential.

The right applicant would be required to start ASAP.

### Must Haves:

- Competent in Excel
- General IT Knowledge
- Driving License
