

FULL TIME TEMPORARY VACANCY

Shelton Drainage manufacture tractor mounted trenching machinery and other equipment for the sportsturf and agricultural industry. We have a very busy hire & contracting division where an opportunity has arisen for a skilled tractor driver to operate our equipment.

This is a temporary position for 3 months, but has the opportunity to be a permanent position for the right candidate. Attention to detail is paramount, as we work for very prestigious clubs and on very fine turf. A full driving licence qualifying to tow a trailer up to 3500kgs is required.

Work can be anywhere in the country so staying away from home during the week is a necessity of this role. Pool vehicle available. Generous allowance for accommodation & food. Full training to be given. Pay by negotiation.

For further information and a friendly informal chat please call Richard Clark (Director) on 01507 578288
