

MAINCROP

Potatoes East Ltd

Trainee Fieldsperson Required – Lincolnshire

We currently have a new opportunity within our business for a self-motivated and enthusiastic individual. We are a Shropshire and Lincolnshire based business covering the UK and Europe, where our passion is everything Potatoes!

We are looking to recruit a trainee fieldsperson to join our team in Lincolnshire, to be based out of Spilsby to cover the Eastern counties. The job will be field and office based, covering growing and stored crops, with time in the office for planning.

To take on this vital role you will need strong organisation and communication skills, along with computer literacy. Some previous agricultural experience would be of benefit, but is not essential as full training and support will be given. You must also have a full driving license and not be afraid to travel from time to time. Use of your own reliable vehicle will be a must, for which mileage will be paid.

In return, you will benefit from a competitive salary package, with development opportunities within an industry-recognised business. This is a fantastic opportunity for the right candidate who is passionate and keen to progress their career and develop the role as the business continues to grow.

To apply please email your covering letter and CV to Lee Sharp:
