

2013 EMBRION OPEN PROGRAMMES

An exciting range of programme for leaders, coaches, HR professionals and HSE managers. As an ILM provider, our 2013 programme includes formal ILM courses, alongside more practical skills courses for leaders plus a number of free events which offer insights into our work or are tasters for events later in the year.

In addition to our open courses, we offer both bespoke programmes and a number of HSE and leadership programmes which can be deliver exclusively in-house for clients. If you would like to meet one of our team, we would be delighted to come and talk to you personally about your development needs.

➔ WHO ARE EMBRION?

Embrion brings the science of psychology to the practice of business performance and safety. We focus on people and their behaviours and aim to help individuals and teams to reflect, learn and develop. We provide a range of services including skills training, leadership development, executive coaching, safety coaching, organisational change, personal security, health and safety and psychometric assessment through our team of psychologists and consultants.
